

SLAMBALL.

DESIGNED TO BE SLAMMED AND **BUILT FOR THE TOUGHEST WORKOUT.**

Don't be fooled by the forgiving, textured surface, the **Slamball will force you to work hard** thanks to the unstable nature of the filling that **will push your deep core muscles to the limit.**

WARRANTY AND BUILD.

Warranty: 1 year.

DIMENSIONS AND WEIGHTS.

CLUB BENEFITS.

GREAT ADDITION
TO POWER CIRCUIT AND
CROSS TRAINING AREAS.

WILL NOT ROLL WHEN
THROWN OR SLAMMED.

SUBTLE YET CLEAR
NUMBERING ON THE SIDE.

PT BENEFITS.

SAME DIMENSIONS AS A
MEDBALL TO GIVE CLIENTS
CONFIDENCE TO **SLAM.**

INSTABILITY MAKES LIFTS
AND PRESSES A CHALLENGE.

INNOVATIVE FUNCTIONAL
TRAINING TOOL.

USER BENEFITS.

VARIED WEIGHT RANGE.

GOOD FUN AND GREAT
ANTI-STRESS RELEASE.

EXCITING TRAINING TOOL
OFFERING A VARIETY OF
UNIQUE EXERCISES.

TEXTURED RUBBER DIMPLED SURFACE offers improved grip and means a user can slam in confidence.

IDEAL FOR ADVANCED USERS looking for a new challenge.

MADE FOR SLAMMING which means it won't roll or bounce away when it hits the ground.

UNSTABLE DEADWEIGHT means you have to work hard to hold it and pick it up off the ground.

UNIQUE REINFORCED INTERNAL VALVE guards against splits and leaks.

Overhead slams are a **fantastic exercise** to let off some steam. With four different weights, the Slamball will **challenge every user** no matter what their level. The Slamball is perfect for **developing power, speed and strength** and with in-built instability the Slamball will help to further build grip strength and engage multiple muscles.
